MEMORANDUM FOR THE DIRECTOR, INTELLIGENCE COMMUNITY STAFF

DCI/IC 5916-82

SUBJECT: Long Range Strategic Planning for the Intelligence Community

References: a. DCI/ICS 82-4282, 2 Nov 82, subj: Long Range Planning for the Intelligence Community (U).

b. DCI/ICS 82-4279, 29 Oct 82, subj: DoD Space Intelligence Master Plan (U) w/2 attachments.

1. DIA concurs with your request to have Dr. C. M. Waespy participate in the DCI's long range planning effort. He will serve as Chairman of the Technology Steering Panel to be convened under DCI auspices for purposes of identifying technologies critical to the intelligence function in the late-1980's to mid-1990's.

2. Dr. Waespy will obtain the necessary guidance for this activity from the Director, Intelligence Community Staff through Mr. George Deskin, Director, Office of Planning.
